

# WEST SIDE BOYS BACK FROM OVERSEAS

MAX SADINSKY

Two West Side boys, Samuel Weinstein of 330 West Main street and Max Sadinsky of 14 Aqueduct street, both corporals, have just returned from overseas service and are again at their homes, having received their honorable

discharges from army service. Corporal Sadinsky returned to America on the U. S. S. Albatross, landing at Hoboken on June 15th, and was sent to Camp Mills and Camp Upton where he was discharged. He had thirteen months of overseas service and was most of the time with the 4th army corps headquarters, participating in the fighting off of the St. Mihiel salient and in the Meuse-Argonne drive. On the 12th of November his command moved through the devastated region of France and into Germany. For the last six months before he started for home, Corporal Sadinsky was stationed near Coblenz, Germany, in the army of occupation. Corporal Weinstein has had 14 months of overseas service, five months of which was on the front line. He was in the 55th artillery, C. A. C., which sailed from Boston and took part in the Meuse and Argonne drives. A month after the signing of the armistice he was transferred to the finance department, quartermaster corps and was stationed at Tournai and St. Nazaire.

On the return trip to his home land he sailed from St. Nazaire on the steamer Floridian and landed at New York. He was given his discharge at Mitchell Field, Long Island.

Two brothers of Corporal Weinstein, Benjamin and Charles have recently received their discharge from the navy.

Wednesday morning at 10 o'clock in the immaculate Conception church the Commencement exercises of the Holy Family Academy were carried out, marking the 44th time that the Academy has graduated pupils. The exercises consisted of a usual of a solemn high mass with Rev. W. T. O'Brien, celebrant, Rev. J. V. E. Belanger, deacon, and Rev. Thos. Lynch, sub-deacon. Rev. P. Deserault was master of ceremonies. John Donahue of Baltic and Edward Brown of Worcester, Mass. acted as co-celebrants. About twenty priests were present in the sanctuary. The Academy pupils, as is customary, sang during the mass and carried their difficult parts as well as to elicit high praise for the quality of their singing. Rev. E. Flanagan of Waterbury who gave the address to the graduates, congratulated the class who were, as he stated, so fortunate as to complete their course in a school so well and favorably known as the Baltic Academy. He told them that their motto, "Not for ourselves alone," expressed exactly the sentiments of their church in her teachings and prayers. He said, too, the spirit of the present times, in which men were learning through bitter experiences, that no man nor nation can live for itself alone. He showed them how Christ had always been the great Teacher, and that He had desired, as shown in His words and actions so often, to have the "little children come unto Me"; hence the reason why the Catholic church tries to keep its youth in touch with religion during the important years of character-building. The easy, graceful flow of words joined to inspiring thoughts made Father Flanagan's address such as one listened to with both profit and delight.

The long line of students in their white gowns and caps made an impressive sight as they filed from the convent to their places in the beautifully decorated church. The church services added a solemn dignity to their graduation which the class of '19 will not soon forget.

After the conferring of honors, the services closed with Benediction of the Blessed Sacrament, after which luncheon was served at the Academy to visiting friends among whom were Mrs. Michael Bailey, president of the Alumnae, Mrs. Michael McCabe, Mrs. Marjorie, Mrs. Thompson of Haverhill, N. Y.; The Misses, H. Johnson, Brockton, N. Y.; Mrs. Griffith and Miss Mary Harte of Kensington, Miss J. E. Cole, Bridgewater, Mrs. Hutton, Rindge, of Waterbury, Mrs. T. McEvoy, Waterbury, and Mrs. Healey of South Manchester, Mrs. Hartigan and Mrs. Hellyer of Hartford.

There was an excellent display of studio work and needle craft, and the Academy pupils won many compliments for their skill in the use of needle, pen and brush. Graduating honors in the High School department were conferred on Miss Yvonne Marion Despatch, Haverhill, and Patricia McCabe, Haverhill.

## NORWICH TOWN

Friday, the feast of the Sacred Heart, is also the feast day of the Sacred Heart church here and there will be special devotions that evening. Henry Law who resides on Upper Washington street, and for the past two weeks has been receiving treatment in Backus hospital, is spending a week at his former home in Fall River, Mass.

Miss Nellie Ahearn has returned to her position in a Main street store after an illness of three weeks at her home on East Town street.

Fred Farrer of Groton, was a caller on Julian Williams Tuesday at his place of business on Town street.

Mrs. Thomas Smith and daughter Miss Florence Smith of Town street are visiting for several days at the home of Mrs. Smith's parents, Mr. and Mrs. Ernest Freeman of the East Side.

Her mother, who was seriously ill, is now home on the East Side.

Private Heroes.

2nd Regiment, A. S. M., who was in the service for the past eight months, is at the home of his parents, Mr. and Mrs. Irvin Bushnell, of Scotland road, having received his honorable discharge at Camp Mills, L. I. June 21st. Private Bushnell enlisted at New London Dec. 13th, 1917, leaving there for Fort Slocum, N. Y., and later going to Camp Hancock, Augusta, Ga., where he remained until Feb. 11th, 1918.

About ten days previous to his enlistment leaving for overseas, Private Bushnell was called on by his parents, Mr. and Mrs. Irvin Bushnell, of Scotland road, having received his honorable discharge at Camp Mills, L. I. June 21st. Private Bushnell enlisted at New London Dec. 13th, 1917, leaving there for Fort Slocum, N. Y., and later going to Camp Hancock, Augusta, Ga., where he remained until Feb. 11th, 1918.

From Liverpool, England, the 12th of that month, the English Channel to Havre, France. Private Bushnell, who was a dispatch motorcycle rider, was sent to France for thirteen months, at the Transportation Instruction Service. This was trained before going to the front.

June 1st of the present year he sailed from Liverpool on the Leithian (this being his twenty-second trip) arriving in Liverpool on the 12th and upon receiving his discharge he returned to his home at Scotland road, counter-marching around The Tree, up Main street to Ashland mark, where the exercises, dinner, ball game and dance will be held. The patriotic songs which the town honors on this day will review the parade from the vicinity of the Congregational church. It is expected that the residents and stores all along the line of march will be decorated and it is eminently fitting that everybody who views the parade be provided with confetti and streamers or flowers with which to shower the men as they pass and be happy

with their applause. All the fraternal orders in town have been sent written invitations to take part in the parade. All the mills in Jewett City, Glasco, and Voluntown have signified their intention of sending floats and the places of business will do the same. Fred Whalley has already given out Welcome Home placards for the windows and has a few more. The question has been asked whether automobiles are wanted in the parade. They are the more the better, all to help along the jollification, and several of them are already planning to do so.

The music by the horrible band will be worth coming miles to hear, judging by the sounds issuing from the band room. The parade will start from South street, going on Main to Palmer avenue, down North Main to Tracy avenue, up Mathewson to Greene and Mechanic, through Railroad avenue to Lisbon road, counter-marching around The Tree, up Main street to Ashland mark, where the exercises, dinner, ball game and dance will be held. ## JEWETT CITY

The townspeople are enthusiastic over the Welcome Home celebration on the Fourth. They are carrying out the plans of the committee in every possible way and the committees are working hard. Most of them business men at that. The horrible parade at six a. m. bids fair to be the funniest kind of attraction. The fairer sex are especially needed to help along the jollification, and several of them are already planning to do so. The music by the horrible band will be worth coming miles to hear, judging by the sounds issuing from the band room.
